

EDGE
LANDSCAPE

The Eby EDGE is an all-aluminum landscape body designed to work harder and last longer. Its lightweight construction boosts payload and helps cut fuel costs, without sacrificing strength. Available with multiple rear door styles, backpack or underbody toolboxes, and top-tier hoists and hydraulics, the EDGE is finished with steel ICC protection and the attention to detail that sets Eby apart.

- Swing doors on rear and sides
- Premium retractable pull-tarp with drag line rope and tie loop tarp cleats.
- Cab protector with room for wheelbarrows
- Harsh C20 hoist with 8-ton capacity
- 3/16" smooth all-aluminum sheet floor

STANDARD SIZES

Lengths: 9'4" - 11'4"'
